a long time ago when
splinter and i were
took hold

since i ate two dozen
hardboiled eggs in one
sitting and a chicken
knocked on my door
and shamed me for it

it was a long time
ago when i was
a kitten and i was
a little bit of a
trouble maker

i am not that
much of a trouble
maker anymore
but i am still
everyone around me
that i love

for fear of not
being good enough for
anyone i care about
